Dear,
Ibu Tri Lestari

Re: "Growth and yield of edamame soybean in post-tin mining land with application of Rhizobium bacteria and organic fertilizer"

After careful review from the reviewer and the editor, I am pleased to inform you that your manuscript is accepted by the International Conference on Sustainable Agriculture and Farming System (ICoSAFS 2020) for inclusion in the seminar proceeding, the IOP Conference Series: Earth and Environmental Science.

The manuscript will be submitted to internal IOP Proceeding editors no later than December 10, 2020. Subsequently, the manuscript will undergo the IOP internal review processes and it will be published in early 2021 if there is no major problem.

We will inform you of the progress of the IOP proceeding publication processes as soon as they come out. Thank you for submitting your work to the ICoSAFS 2020. We are hoping to see you again at the next ICoSAFS seminar.

Best Regards,
