JOURNAL OF ENVIRONMENTAL RADIOACTIVITY

Volume 54
Number 1

ISSN 0203-9936
An international journal of environmental radioactivity research, covering all aspects of environmental radioactivity, including: environmental radioactivity, nuclear energy, nuclear waste, nuclear accidents, nuclear safety, nuclear security, nuclear terrorism, nuclear proliferation, nuclear disarmament, nuclear non-proliferation, nuclear energy, nuclear waste, nuclear accidents, nuclear safety, nuclear security, nuclear terrorism, nuclear proliferation, nuclear disarmament, nuclear non-proliferation.

About the journal

Affiliated to the International Union of Radioecology

The *Journal of Environmental Radioactivity* provides a coherent international forum for publication of original research or review papers on any aspect of the occurrence of **radioactivity** in **natural systems**.

Relevant subject areas range from applications of **environmental radionuclides** as mechanistic ...
