Dear Authors,

Your manuscript entitled "**effect of wick application of growick irrigation system to the cultivation of pakcoy in sand tailing media from post-tin mining land**" has been reviewed by the reviewer of the Journal of Degraded and Mining Lands Management. As an initial decision, your manuscript was found interesting, but **some revisions** have to be made before it can reach a publishable value.

Enclosed is your manuscript with comments/corrections from the reviewer that were made using "track changes". Please revise your manuscript accordingly, and send the revised version back to us through this email address **before 9 December 2020**.

Thank you for considering this journal as a venue for your work

With regards

Eko Handayanto

Dear JDMLM Editor,

Here we send the revision of our manuscript in this email. We already fixed the manuscript based on the review in previous email. We marked the revised sentences with red color, so it easier to find.

Many thanks to you for considering our manuscript to publish in your journal.

Warm regards,
Deni Pratama

The email is from the Editorial Office (editor.jdmlm@ub.ac.id) to the recipient, dated Friday, December 11, 2020, at 8:58 AM. The subject is '[JDMLM] Acceptance Letter and Galley Proof (787-1898-1-SM, Effect of wick application of growick irrigation system.....)'. The email content is as follows:

Dear Authors,

We are sending herewith the Acceptance Letter and the Galley Proof of your article entitled "Effect of wick application of growick irrigation system on cultivation of pakcoy in sand tailing media from post-tin mining land" for proofreading.

Please kindly go through it keenly and point out any mistakes. After this stage, the authors will be responsible for any mistake in the final manuscript. Kindly send the corrections (if any) back to us through this email address **before 15 December 2020**. Authors are responsible for the authenticity of cited literature and the originality of data being reported. Editorial Board will not be responsible for any plagiarism. The article is likely to come in Vol. 8, No. 2 (01 January 2021).

Journal of Degraded and Mining Lands Management is Accredited SINTA-1 by the Ministry of Research and Technology/National Agency for Research and Innovation of Indonesia and is included in Google Scholar, CrossRef (DOI), DOAJ, ERIHPLUS, Index Copernicus, ProQuest, Asean Citation Index (ACI), CAR International (CARI) and SCOPUS.

We would like to inform you that in order to maintain memberships of CrossRef-DOI, DOAJ, other international indexing services, and partnership, since 2017 the journal applies "processing fee" of US\$ 80 (IDR 1,150,000,-) per article. Regarding this, you are kindly requested to deposit the processing fee to the following Bank account: [Name: Eko Handayanto, Bank: BRI Malang Kawi, Account No: 005 101 140 930 500], **before 15 December 2020** to process your manuscript further. Please notify us when you have made the payment.

Thank you for considering this journal as a venue for your work.

Kindest regards
