Dear Dr. Fitri Sil Valen

We finished processing your article and sent acceptance letter. In addition, we finished its language editing as well.

However, for the next step, i.e. sending for proofreading, we need some corrections of the file, including:

- 1- we need the full name of the authors and their email.
2. Format references based on the journal guideline.

In addition, if you want to insert an accession number for your sequence, you should send it at this stage.

Please send back the corrected file in 3 days and highlight (Green) any changes in the text as green.

Regards.
