For the next process, we ask for your cooperation to complete the following things:

- Willingness to revise the article 2 weeks after the review by the reviewer, if there are notes from the article reviewer (delays in submitting revisions result in delays in publication). It is also possible for the author, if he wants to improve or add deficiencies in the part of the article that may escape the review of the editor or reviewer. The revised articles can be sent via the author's OJS account or the journal's official email.
