Dear Authors,

For 20 articles that have received the review results from HSSR Journal, we would like to remind you that your revision is due. Please submit it to me by tomorrow so that I have time to double-check your articles if they still need amendments before sending it to the chief editor of the journal.

For 10 articles that are still under review, we kindly ask you to wait patiently for the results.

Thank you.

Sincerely,
Yunisrina

Subject: Review Result from HSSR Journal - Accepted with Revisions

To: <herland-fm@ubb.ac.id>

Dear Mr. Herland Franley Manalu,

Your selected article from the 2nd EEIC for HSSR Journal has been accepted with revisions. Please find: attachment 1 is your article and attachment 2 is the reviewer's comments. You must revise your article as suggested by the reviewer. Make the changes in the article attached (attachment 1) and make your changes/editing in RED ink color so that we can identify them more easily.

Moreover, I was recently informed that the new policy of HSSR only allows a Turnitin report below 10% for every accepted article. Therefore, if your article is still above 10%, please reduce it accordingly. Your Turnitin report is as attached (attachment 3). We also kindly ask you to cite the Chief Editor's papers in Scopus if they are related to your work:
