16 Maret 2024 pukul 07.35

Assc Prof Endang Bidayani:

We have reached a decision regarding your submission to ILMU KELAUTAN: Indonesian Journal of Marine Sciences, "Mangrove Resource Management in Tin Mining Conflict Zone on the East Coast of Bangka Island".

Our decision is to:
Revision Required

Indonesian Journal of Marine Science
ijms.undip@gmail.com

Reviewer B:

The article is good primarily in the section of results and discussion. However, a revision should be conducted for the previous section to emphasize and strengthen this paper. We give you examples how to write data with a social perspective and how to provide an evidence-based reforestation

Reviewer C:

This paper need major modification in all part of paper. The author can consider some comments on the right side of paper file.
